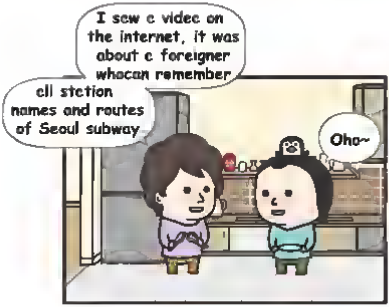
Haha. He likes to hear compliments from you.

Yeah. I guess this will help him try Korean harder.

He puts these kinds of expressions into conversation,...

Mev felt jealous of him.

Then last week, 6th May.



While we were preparing dinner
together,...

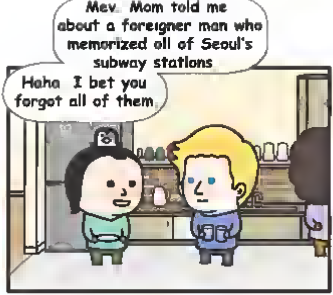
Penguin Loves Mev

In the UK

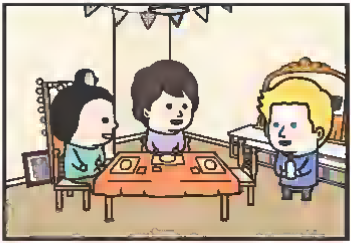
When he is jealous...

While my mom is here,...

... Mev gets lots of chances to speak Korean.



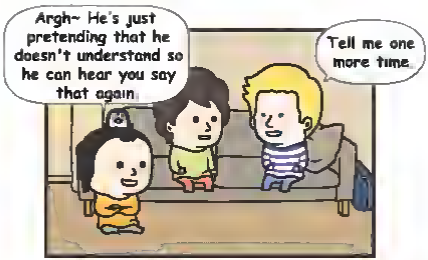
. . . Mev heard that mom was talking about how impressive the man on TV was



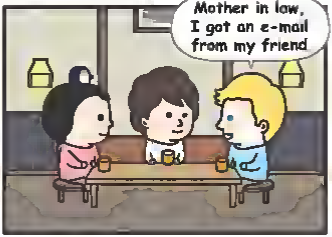
Soon,
he turned up with a lit candle.

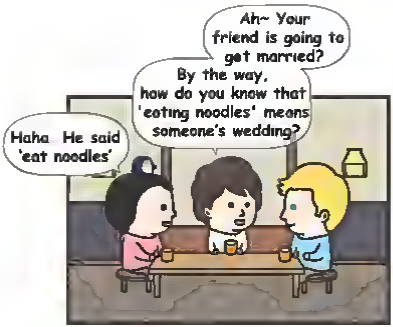
(Birthday song in Korean)

He needed to show whatever he could at that point.



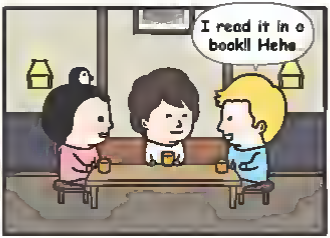
So he's impressing my mom in many ways





Ah~ Your friend is going to get married?
By the way, how do you know that 'eating noodles' means someone's wedding?
Haha He said 'eat noodles'

..and if my mom gets impressed,...



...he feels so proud of himself.
